Flagstaff Region's 2025 Small Business Awards nominations are now open!

These awards recognize the dedication, creativity, and hard work of local entrepreneurs who strengthen our communities and contribute to a thriving regional economy.

Nominate a deserving business today and help shine a light on the people behind the products, services, and innovations that make our region such a vibrant place to live and work.

Why It Matters:

Small businesses are the backbone of our local economy — in fact, they make up 98% of all businesses in the Flagstaff Region. From family-run shops to innovative startups, these businesses create local jobs, support community events, and bring energy to our main streets. By nominating a small business, you're helping recognize their contribution, boost their visibility, and encourage continued growth across our communities.

Thank you for your continued support in celebrating and uplifting the entrepreneurs who make the Flagstaff Region a place we're proud to call home.
