FEATURED BUSINESS

2026 *Make it Your Year*

Flagstaff region

Every business has a story. Let's help you tell yours in 2026.

Applications are now open for the 2026 Flagstaff Region Featured Business Program.

If you are a local business or community development group looking to increase visibility, strengthen connections, and inspire regional support, this program is designed for you.

Participants receive professionally produced video storytelling and promotional features that highlight what makes their business or organization unique. Each story is shared across Flagstaff County platforms and, through our partnership with The Community Press, is also featured in a newspaper article and promoted on their social media channels. This combined reach gives you a powerful platform to share your story with audiences across the region. Together, this exposure helps you reach new audiences and deepen your impact throughout the Flagstaff Region.
